from

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon in Mysore, Bangalore.

To

The General Secretary

the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No. G. 11099-102/G.M. dated 15th April 1927, forwarding for necessary action, a list of donations pertaining to the medical Department, promised durin the recent tours of the Dewan in the Malnad Districts, I have the honour to report as under, on item 9 of the list relating to the Hassan District, viz., the establishment of a dispensary at Rudrapatna.

From a copy of letter, dated 13th April 1927, addressed to the Deputy Commissioner, Hassan District, by Mr. Ganga-Dhariah, furnished to me, (copy enclosed), it is made out that no cash donation of Rs.2,000/- was promised, but what was promised was the provision of buildings "on terms of lease" for the location of the dispensary. The Village Panchayet is reported to be also prepared to secure buildings for the residence of the staff of the dispensary.

The question was, however, referred by me to the President of the District Board and to the District Medical Officer for their opinion, which they have furnished in their letters No.Gl. 4777, dated 11th May 1927, and No. 4922, dated 13th June 1927, respectively, as per copies enclosed. It will

Letter No. 4777 dated 10th May 1927 from the District Board President, Hassan District, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No.C. 3255. dated 2/3rd May 1927 calling for the views of the Board as regards the necessity for a dispensary at Rudrapatna and as to the ways and means to meet the initial and recurring charges on the usual scale etc., I have the honour to state that it is very necessary to locate a dispensary at the place for the following reasons:

Rudrapatna is a populous villages and is situated on the other side of the river Cauvery, which during rainy season is not easily fordable. As it is, the location of the village is such that it is in need of urgent medical aid, since the village is visited by plague and other epidemics in almost every season of the year the bulk of the pupulation being subjected to the influence of these dire diseases. There are also a number of other villages, in the neighbourhood which will be served by the location of the dispensary at Rudrapatna.

Since the villagers of the place have agreed to provide the necessary accommodation there is no anxiety about the buildings for the time being.

I propose that the Malnad Improvement Vydyasala at Gangur, which is close by may be converted into a small dispensary on a lower scale and located at the existing provision of Rs.25/- plus Rs.10/- being utilised towards part of the expenditure of the Malnad Improvement Dispensary.

I, therefore, request that you will be so good as to kindly make a recommendation to Government and obtain early sanction for locating a Dispensary at Rudrapatna entirely at the cost of Government out of Malnad Improvement Funds, particularly having regard to the promise made by them to the Dewan Sahib on the representation of Mr. Gangadhariah, a Graduate, who is also the Chairman of the local Village Panchayet when the Dewan Sahib was at Ramanathapur during his recent tour.

---

needful done and to hand over the building to the Government He also promised to give free quarters to the Sub Assistant Surgeon, Compounder and Midwife. A well is to be provided for the Hospital as the river is two furlongs away and till then Mr. B.S.Gangadharaya agreed to allow the use of the well in his house which is near to the proposed dispensary building.

The Exeuctive Engineer also kindly approved of the building. Rudrapatna is a big village on the southern side of the Cauvery River with about 1300 population, Mr. B.S.Gangadharayya reported that there has been a decrease of population every year due to sickness particularly plague and cholera. The nearest Dispensary is at Hansoge, nine miles off Arkalgud and Konanur are on the other side of the River. During greater part of the year, the river has much water and hence not easily fordable. Further there are about 40 villages within a radius of 5 miles from this village which need Medical help. Hence it is highly desirable to provide a dispensary for the village.

Copy of the same has been forwarded to the President, District Board, for information.

Sir,

With reference to your D.O.No.G.11103-5, dated the 15th instant, requesting to take immediate action to secure the donations promised during the recent tour of the Dewan in this District, I have the honour to state that the several gentlemen who had promised to have all been written to in this office No. D.23-26, dated the 8th April 1927, to kindly make early arrangements for payment, and only one reply has been received so far. Replies from the others are awaited. On hearing from them, the report called for will be submitted.

2. With regard to item No.9, viz., the donation of Rs. 2000/- offered by Mr. B.S.Gangadharaiya of Rudra-patna, for constructing a Local Fund Dispensary at Rudra-patna, the gentleman has stated in his reply dated the 13th instant, that when he was asked by the Dewan whether a build-ing was ready, he said that it was, and that he did not promise a donation of Rs.2000/- in cash, for the building.

Letter dated the 13th April 1927, from Mr. B.S.Gangadharaiya, Rudrapatna, to the Deputy Commissioner, Hassan District:-

Your Office letter No. D.23-26, dated the 8th April 1927 duly to hand, and thank you much for it.

Further, I beg to say that my promise has been wrongly interpreted, for, when the Dewan asked me whether a building was ready, I said that it was, and I never promised to give a donation of Rs. 2000/- cash for the building. The village Panchayet of this place has taken a suitable and convenient building on terms of lease and they provide all other necessary convenience viz, a building for the Doctor, Compounder and Midwife.

You may also kindly remember that I ~~would~~ said that a building was ready and nothing else. If I were really in a posi-tion to pay Rs. 2000/- I should not have shirked back to pay even such a heavy sum for public use, and I am very sorry that such an interpretation has been given to my enthusiastic attempt. Even now, the building is ready and you may kindly inspect and thus help us if we really deserve.

I request you, once again, to kindly favour us with a Local Fund Dispensary and see that we are relieved of the anxiety.

While touring in the Arakalgud Taluk you were kind enough to halt for a few hours, at Ramanathpur with a view to inquire the different and Various grievances of your Subjects of whom I was also one to represent my Villagers. While hearing my difficulties I requested you to kindly sanction a L.F. dispensary to my place and discussing the possibility you were gracious enough to sanction one provided a building was ready.

Thinking that we would be favoured with the said dispensary I got the building ready some two months back. yet there is not even a symptom of getting the hospital. I request you will be kind enough to take our case once again to your kind and gracious heart and relieve us for which act of kindness we your poor Subjects pray for your long and generous rule.
